CHARCOAL

Finally, we have Charcoal, a unique Malaysian-styled grill room that uses the age-old technique of cooking over charcoal to give char-grilled meat more flavour and depth. Some of their trademark grilled meats include South Australian 100% Black Angus Tomahawk Steak, Beef Short Ribs, Beef Tenderloin and more. Charcoal is designed to have a contemporary modern architectural design with natural flora compliments. The prices for their premium meats range from RM70 to RM350.
