Explore the lush green
getaway in the city at
The Club Saujana Resort

Nestled amidst 400 acres of lush tropical gardens, The Club Saujana Resort offers the ultimate urban retreat to those seeking for a quick weekend getaway. Strategically located just 35 minutes from the Kuala Lumpur International Airport and five minutes from Skypark Terminal, The Club Saujana Resort is nicely tucked away from the city while maintaining its accessibility, close to shopping amenities such as Citta Mall, Paradigm Mall, Sunway Pyramid and Sunway Lagoon theme park for those wanting to spend quality time with their family.

Step into an island of tranquillity minus the boat ride and bask in the luxurious living quarters, leaving the hectic life behind. As soon as you enter the sanctuary, complimentary welcome drinks are served while the concierge handles the check-in process. Painstaking attention to details ensures exceptional personalised services with extraordinary experiences handcrafted for your pleasure. Their Club Concierge is the closest to

a modern-day butler service, available 24 hours a day. Whether it's helping you with check-in or check-out, arranging for limousine services, planning your day's itinerary or simply making your stay hassle-free, the Club Concierge is just one call away.

Accommodation at The Club Saujana Resort comprises of 105 suite-style open concept Club Rooms and Suites, with each room reflecting a contemporary Asian style with the décor comprising classy terrazzo floors, granite and Burmese teak wood. The lighting emits a natural and warm glow, fitting to its contemporary yet understated elegance. The Club Rooms and Suites are spacious by hotel room standards, ranging from 43 to 176sqm and boasting stand-out features such as lavish and spacious bathrooms with separate bathtubs, shower cubicles and large walk-in wardrobes. Prepare to enjoy the most drenching and satisfying rain shower to cool off from the tropical hot weather and lather yourself with our premium bath amenities.

Unlike many hotels, guests will wake up to picturesque views as all rooms boast views of green landscape and glistening emerald pool. Choose from the smartly adorned Club Rooms, Terrace Rooms and Executive Rooms, to the more lavishly decked out Executive Suites or go bold with the ultimate Saujana Suite, which integrates spa and fitness facilities within the immense accommodation.

Breakfast is served at The Restaurant, The Club Saujana Resort's award winning outlet which offers contemporary Asian

and classic European flavours under the helm of Chef De Cuisine, Ryan Arboleda. With an open kitchen design, The Restaurant presents an intimate setting for breakfast, lunch and dinner. Featuring a beautiful alfresco terrace that overlooks a cascading pool surrounded by lush and well-manicured gardens, it is a dining haven of ultimate tranquillity. A chic restaurant in Shah Alam just outside Kuala Lumpur, The Restaurant is a perfect place to unwind with a glass of in-house signature wines.

The simple yet exquisite world-class cuisine is gloriously accompanied by intimate surroundings and total privacy. For a more romantic setting, an alfresco dining experience at the terrace offers a splendid front-seat view of the dreamy water feature.

The sound of the running water stream has just the perfect decibel to elevate the romantic feel, while you dine on decadent dishes with bottle of bubbly. On weekends, sip on a cuppa and indulge in selections of cakes, chocolates and scones with the delectable English-style afternoon tea. Those with a waistline to watch may opt for a variety of dried fruits, yoghurt and sandwiches to enjoy a guilt-free vacation. At The Club Saujana Resort, the world revolves around you and only you, so enjoy all the little things to help you relax.

If you have an unavoidable business meeting during your vacation, impress your clients in the resort's state-of-the-art boardrooms - a choice between three stylish yet practical boardrooms, fully equipped with video-conferencing facility, wireless

internet access and electronic whiteboard for no-frills business meetings.

No 'staycation' is complete without a spa session. Lose yourself in the indulgent utopia of rejuvenating bliss at The Spa, which is also part of The Club Saujana Resort. Making the most of its natural tropical setting, The Spa perfectly blends and balances the natural surroundings with its ambience and therapeutic treatments. The Spa features eight spacious rustic-styled spa villas offering exclusive privacy and a Fitness Centre.

The Club Saujana Resort is an opulent escape for those searching for serenity in the midst of a hectic lifestyle with top notch amenities and impeccable service presented in a style you would expect from Saujana Hotels and Resorts - the exact reason that keeps you coming back.
