Urban Retreat

Discovering a Luxurious

To call it luxury would be an understatement. Positioned as the ultimate urban retreat, The Club Saujana Resort resides amidst 160 hectares of lush tropical gardens while flanked by two 18 hole championship golf courses of the Saujana Golf and Country Club. Just a 30 minute drive from all the bustle of the city centre of Kuala Lumpur yet seemingly a world's away, The Club Saujana Resort is hailed as one of the best retreats in the city as it seamlessly blends nature with modern comforts, offering impeccable service and embraces the true spirit of Malaysian-Asian culture and traditions.

Rooms with a View

The 105 spacious and lavish designed Club Rooms and Suites ranging from 43sqm to 127 sqm in size have excellent picturesque views of the lake, the golf course or manicured gardens for that ultimate tranquility. Each room reflects a contemporary Asian style, with interiors in soft muted tones contrasted against the dark Burmese teak floors to exude a posh accommodation.

Meetings in Style

Business travellers are also well catered for with meeting and function facilities available onsite at The Club Saujana Resort. With a choice of two stylish yet practical boardrooms fully equipped with video-conferencing facility, wireless internet access and electronic whiteboard, the boardrooms are set to impress.

World Class Cuisines at The Restaurant

Dining options abound, including The Restaurant and Terrace, ideal for all day dining. The Restaurant offering a modern European dining experience serves lunch in an elegant setting. One will also enjoy afternoon tea or a formal dinner here where the view overlooks the calming water feature. The Lounge offers light snacks all day and canapés during cocktail hours.

Acknowledged as one of the world's hottest new hotels, sizzling onto the prestigious Condé Nast Traveler "Hot List 2009" and DestinAsian's "2009 Luxe List" shortly after its opening. The resort was also chosen as TripAdvisor's winner for their Travellers' Choice Awards of "Top 25 Luxury Hotels in Malaysia" and "Certificate of Excellence" in 2012. The resort is also a member of the prestigious Small Luxury Hotels of the World (SLH).

An Oasis of Nature, Serenity and Blissful Rejuvenation

And there is also an idyllic haven for a total rejuvenation of one's mind, body and soul. The Spa adjacent to the resort's entrance embraces the natural elements of landscaped tropical gardens, wood and water with Asian inspired furnishing and artpieces to create a hidden oasis away from the hustle bustle of the city. This award winning spa features top-notch therapists with an extensive spa menu, private spa villas to accommodate singles and couples to deep soaking tubs carved from volcanic rock for that ultimate luxe-relaxation.
